

AI-Assisted Buying Checklist

Use AI to narrow the choice — then verify before buying

1. Define the Requirement

- ☐ Intended use
- ☐ Essential features
- ☐ Compatibility
- ☐ Budget
- ☐ Warranty
- ☐ Support period

2. Verify the Product

- ☐ Exact model
- ☐ Manufacturer specification
- ☐ Included accessories
- ☐ Subscription or licence
- ☐ Current support status
- ☐ Compatibility confirmed

3. Verify the Seller

- ☐ Seller identity
- ☐ Condition
- ☐ Returns
- ☐ Warranty provider
- ☐ Delivery cost
- ☐ Business invoice

6. Business Technology

- ☐ IT approval
- ☐ Security reviewed
- ☐ Device supported
- ☐ Licence understood
- ☐ Asset recorded
- ☐ Business owns management account

4. Verify the Deal

- ☐ Compare another retailer
- ☐ Check previous price
- ☐ Include delivery and accessories
- ☐ Check subscriptions
- ☐ Compare exact model numbers

5. Review the Evidence

- ☐ Read recent reviews
- ☐ Read negative reviews
- ☐ Confirm reviews match the model
- ☐ Check independent sources
- ☐ Verify important AI claims
